

Fundraising campaign

of the Association for the Promotion of international Students in Freising

The Club Ausländischer Weihenstephaner is planning one of the most extensive, but also most expensive, excursions in its history with its two-and-a-half-week trip to Thailand. All participants who have confirmed their attendance so far will cover the costs themselves. To enable student members of the CAW to participate, we are dedicating this year's fundraising campaign to the **excursion to Thailand**.
