# Club Ausländischer Weihenstephaner

Semester Planner
Winter Term 2025/2026

The Club Ausländischer Weihenstephaner (CAW) was founded on the 12<sup>th</sup> of January 1939 by brewing students. At that time, they made up the majority of the international students in Freising. In the decades that followed, the range of courses on offer at Weihenstephan was constantly expanded. It also became easier and easier to come to Freising as a foreign student. The trend intensified with the introduction of English-language degree programmes. Today, the CAW includes representatives from almost all degree programmes offered by the university.

The CAW supports international students in Freising. In addition to offers that make it easier to settle in at the beginning of your studies, such as our campus tour, the weekly regulars' table offers international – but also German – students the opportunity to exchange ideas and enjoy a cosy get-together. In addition, the CAW enriches the leisure activities on offer in Freising with its beer and beverage tastings, international film evenings, cooking evenings, hikes, excursions and much more.

## Follow us on social media to stay informed about all events:

Even the most diligent student needs a little break from time to time to recover and recharge their batteries for their studies. The Club Ausländischer Weihenstephaner offers a varied programme of events both during the lecture period and during the holidays. Whether sports, education, art and culture, or simply socialising, at the CAW, you will find the right event for you!

CAW Regulars' Table: During the lecture period, we hold our CAW regulars' table at the Sammamera in Freising every Wednesday at 8:00 pm. The regulars' table is a meeting place for international students to get to know each other and exchange ideas. Those interested can also take the opportunity to taste the local beer specialities.
